Filing EEI is not required for the following kinds of shipments. However, the Census Bureau has the authority to periodically require the reporting of shipments that are normally exempt from filing.

(a) Except as noted in § 30.2(a)(1)(iv), exports of commodities where the value of the commodities shipped from one USPPI to one consignee on a single exporting carrier, classified under an individual Schedule B or HTSUSA commodity classification code, is \$2,500 or less. (b) Tools of trade and their containers that are usual and reasonable kinds and quantities of commodities and software intended for use by individual USPPIs or by employees or representatives of the exporting company in furthering the enterprises and undertakings of the USPPI abroad. Commodities and software eligible for this exemption are those that do not require an export license or that are exported as tools of the trade under a license exception of the EAR (15 CFR 740.9), and are subject to the following provisions:

(1) Are owned by the individual USPPI or exporting company.
